

Católicas - Em Procissão

Tom: F

Intro: F Bb Am Bb Am
Dm Dm7 G Bb
C7(9b) C7

1. Em procissão vão o pão e o vinho

Acompanhados de nossa devoção

Pois simbolizam aquilo que ofertamos

Nossa vida e o nosso coração

Ao celebrar - nossa páscoa

E ao vos trazer - nossa oferta

Fazei de nós, ó Deus de amor, imitadores do Redentor

(Bb F)

2. A nossa Igreja que é mãe deseja

Que a consciência do gesto de ofertar
Se atualize durante toda a vida

como o Cristo se imola sobre o altar

3. Eucaristia é sacrifício

Aquele mesmo que Cristo ofereceu

O mundo e homem serão reconduzidos

Para a nova aliança com seu Deus

4. O Pão e o vinho serão em breve

O corpo e o sangue do Cristo Salvador

Tal alimento nos une num só corpo

Para a glória de Deus em seu louvor
