

# Católicas - Em Tua Mesa Quero Por

Tom: D  
Intro: D G A D A

As sementes que me deste, que não eram pra guardar,  
pus no chão da minha vida, quis fazer frutificar.

Refrão 2x:

Dos meus dons que recebi pelo Espírito do amor,  
trago os frutos que colhi e em tua mesa quero pôr.

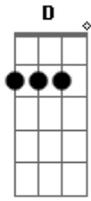

Pelos campos deste mundo, quero sempre semear  
os talentos que me deste, para eu mesmo cultivar.

(Refrão)

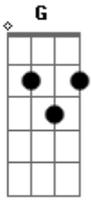

Quanto mais eu for plantando, mais terei para colher;  
quanto mais eu for colhendo, mais terei a oferecer.

(Refrão)
