

Católicas - Flor da Normandia (Teresinha Alma Sublime)

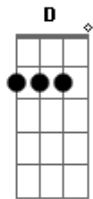

tom:

D

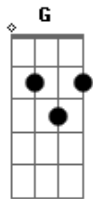

Teresinha alma sublime, sempre meigamente boa
De olhar que encanta e redime de mãos que acolhe abençoa

Flor da Normandia querida, mirificada de luz

Vem proteger nossa vida, Teresinha de Jesus

Viveste a dor enfrentado, polindo-a com risos seus

Ressuscitastes cantando, no santo Jardim de Deus

Quanto amor quanta aventura, que nesta frase encerra

Irei passar o meu céu, fazendo o bem sobre a terra
