

Católicas - Maria, Mãe do Amparo

tom:

A

1. Os olhos de Deus te encontraram
Além do horizonte, na imensidão
Teu ventre brilhou sobre o mundo
Anúncio de vida, total comunhão!

[Refrão]

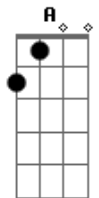

Mãe do Amparo, Maria
Em teu regaço, alegria!
O teu olhar nos encanta

És a bendita esperança! (bis)

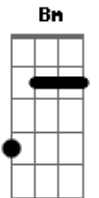

2. As mãos que se uniram revelam
Que o Reino do Pai neste mundo chegou
E o teu coração foi abrigo
Ao sonho que Deus, confiante, plantou!

3. Teus lábios cantaram em festa
Por tantos prodígios que Deus operou
Ao colo nutriu os pequenos
Com braço estendido, seu povo guiou!
