

Católicas - Wonderful Day

Tom: F

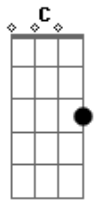

In this happy Day Christ baptized you
He anointed you in God's way
Our church grows With you too
Your parents and friends
With your baptism are glad
Your godmother and godfather
In God's name bless you ever

Around the font our great party
Our faith is grounded in the Trinity
Wonderful day in our life
God be with you, in your side
Peace and happiness is our prayer
Wonderful day in our life
God be with you in your side
Your dreams and life God bless forever
