Dad has bought a new car now

We're fine, no one's gonna catch us now  
( **Am** )

**Em** **F** **C**  
We're all dead in devil town  
**G** **F** **Fm**  
That's fine, 'cause nothing's gonna scare us now  
**Am** **Em** **F** **C**  
We're all in our dressing gowns

Mines white and stripy, yours is green and brown

I forgot my name again

Spiders in your favourite shoes  
**G** **F** **Fm**  
Just leave them because they're more scared of you

**Am** **Em** **F**  
Devil town is colder in the summertime  
**C** **G**  
I'll lose my mind at least another thousand times  
**F** **Fm** **Am**  
Hold my hand tight, we'll make it another night

**Em**  
I still get a little scared of something new  
**F** **C** **G**  
But I feel a little safer when I'm with you

Life's a treat in devil town  
**G** **F** **Fm**  
My ears have acclimated to the sound  
**Am** **Em** **F** **C** **G**  
Pretty faces fly around and 'round my head

As it contemplates this town I've found

**G**  
It's lovely in the evening time  
**Am**  
But every time I close my eyes  
**F** **Fm**

The sunshine gets a little dimmer  
**C** **G**  
Now the clouds fall down  
**Am**  
I sink my teeth into my fingers  
**F** **Fm**  
Blossom swims across the river  
**C** **G**  
How do you feel so proud?

**Am**  
Every time I close my eyes  
**F**  
The colours fade  
**Fm** **C**  
And change inside my mouth  
**G**  
It's all too loud

**Am**  
I sink my teeth into my fingers  
**F** **Fm** **C**  
Blood forms branches in the water
