

Cavetown - Devil Town

 Capostraste na 3ª casa

Life's alright in Devil Town
 They're right, no one's gonna catch us now
 Daddy's bought a new car now
 We're fine, no one's gonna catch us now

You said something dumb again
 She's mad, at least that's what they say
 Mum and daddy aren't in love
 That's fine, I'll settle for two birthdays

Devil Town is colder in the summertime
 I'll lose my mind at least another thousand times
 Hold my hand tight, we'll make it another night
 I still get a little scared of something new
 But I feel a little safer when I'm with you
 Falling doesn't feel so bad when I know you've fallen this way too

We're all dead in Devil Town
 That's fine, cause nothing's gonna scare us now

Acordes

We're all in our dressing gowns, mine's white
 and stripey, yours is green and brown

I forgot my name again
 I think that's something worth remembering
 Spiders in your favourite shoes
 Just leave them be, cause they're more scared of you

Devil Town is colder in the summertime
 I'll lose my mind at least another thousand times
 Hold my hand tight, we'll make it another night
 I still get a little scared of something new
 But I feel a little safer when I'm with you
 Falling doesn't feel so bad when I know you've fallen this way too
