

Cavetown - Fool

```
Don't understand My body, Washing machine confuses Me
               tom:
                                                                  G
              Db (forma dos acordes no tom de C )
                                                           Oh. 0-oo..oh.oo Mm..m..m
Capostraste na 1ª casa
                                                            ( C
                                                                   C7M
                                                           Am
                                                                   Am
                                                                           Am Am)
I am just a fool to keep on chasing after nothing great
                                                            ( F
          Am
                           Am
You are just a fool to keep pretending that You're loving Me
                                                                       C7M
                                                                                          Cadd9
                                                           I am such a fool to keep on chasing after nothing great
I don't know where I'm supposed to go
                                                                 Am Am
                                                            You are such a fool to keep pretending that You're loving Me
                    G
Oh oh oh oh o-oh oh. oh oh oh o-oh oh
                                                           F F F
                                                           I don't know where I'm supposed to go..oh..oh
                              Cadd9
                                                                       G
Call Me on the phone at three, I talk to You while half asleep Oh oh oh oh o ooh oh oh oo ooh oh oh
              Am
                             Am
                                             Am
                                                                        C7M
Complaining 'bout Your Mother so I take You to the cemetery
                                                           I was such a fool to keep on chasing after nothing great
Rant to Me I like the sound, I like Your voice, I like Your
                                                                        Am
                                                            You were such a fool to keep pretending that You're loving Me
mouth
        G
Oh. O-oh. Mm..m..m
                                                           Look in the mirror, I love that boy, don't hurt My dear, don't
                                                           hurt My joy
      C7M
              Cadd9
           Am Am )
                                                           Oh. oh-oh (o-oh oh oh o-oh oh)
     Am
     F
                                                            ( C
                                                                          Cadd9
   G
                                                           \mathsf{Am}
                                                                  \mathsf{Am}
                                                                         Am Am )
Ah..ah..ah..ah
                                                            ( F
                                                                  F
                                                                  C7M
                                                                          Cadd9
                                                            ( C
           C7M
                     Cadd9
                                                                         Am Am )
                                                           Am
