

Cavetown - Meteor Shower

tom:

Intro: ^F ^F ^G ^{C2} ^{Gm} ^F ^F
^F ^F ^G ^{C2} ^{Gm} ^F ^F

^F
I've got miles of regrets

^F
And confusing friends

^G ^{C2}
But perhaps it's just my stupid head in the end

^{Gm}
Thinking should I wait here

^{Gm}
Or make my way home

^F
You said go (you said go)

^F ^F
Making up problems that don't exist

^G ^{C2}
Why do I let myself dream like this

^{Gm}
We're floating away

^{Gm}
My body's in space

^F ^F
We are going home

^F ^C ^{Dm} ^{Bb}
Missing pieces of my skull

^F ^C ^{Dm} ^{Bb}
I'll sew on patches of my own soul

^F ^C
There's nothing you or I can do

^{Dm} ^{Bb} ^F
So let the stars fall

^C
Cause from up here

^{Dm}
The sky's my thoughts and we're all

^{Bb} ^F ^F ^G ^{C2} ^{Gm} ^F ^F
So small

^F ^F
Meteor shower quick take cover

^G ^{C2}
But the hues in our hair compliment

^{Gm}
One another

^{Gm}

I'd sell my own bones for sapphire stones

^F ^F
Cause blue is your favourite color

^F ^C ^{Dm} ^{Bb}
Missing pieces of my skull

^F ^C ^{Dm} ^{Bb}
I'll sew on patches of my own soul

^F ^C
There's nothing you or I can do

^{Dm} ^{Bb} ^F
So let the stars fall

^C
Cause from up here

^{Dm}
The sky's my thoughts and we're all

^{Bb}
So

^{Dm}
Small

^{Bb} ^F ^C ^{Aadd9}
We're all so

^{Dm}
My heart and the earth share the same rule

^{Bb}
It starts with love and it ends with you

^F
But don't go outside it's dangerous tonight

^C ^{Aadd9} ^{Dm}
Without me here by your side

Take it slow

^{Bb} ^F
You'll know witch way to go

^C
Sew up your skull, take your time

^{Aadd9}
And we'll be just

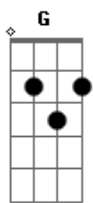

^F ^C ^{Dm} ^{Bb}
Fine

(^F ^C ^{Dm} ^{Bb})

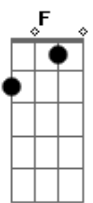

^F ^C ^{Dm} ^{Bb}
Missing pieces of my skull

^F ^C ^{Dm} ^{Bb}
I'll sew on patches of my own soul
