

# Cécile McLorin Salvant - Ghost Song

tom:

**Am**

I tried to keep our love going strong

But no matter how hard I tried

Something went wrong

**Am7** **Dm7**

I lied to keep our love going long

**E7**

But no matter how much I lied

**Am7**

The truth was too strong

I cried when you decided to go

**E7** **Am7**

I cried much more than you'll ever know

**Am7** **Dm7**

My pride is my only company

**E7** **Am7**

My pride will get the best of me

**Am7** **Dm7** **G7** **C7M**

I'll dance with the ghost of our love

**Fm7** **B7** **E7**

I will dance with the ghost of our long lost love

**Am7** **Dm7** **G7** **C7M**

I'll carry the ghost of our love

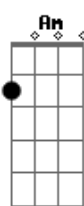

**Fm7** **B7** **E7**

I will carry the ghost of our long lost love
