

Cecitônio Coelho - Só Nós Dois e Ninguém Só

tom:

Intro: C E Am Gm
F F G G7
C E Am Gm
F F G G7

A gente só entende o que sente

Quando está tocando

Sabe bem o que é preciso

Improvisa e cria

Somos as pessoas certas que também erram

Aprendendo que te amar é um sonho tão bonito

Sou assim, de você

Da verdade desse querer

Vou amar o que é simples

Só nós dois e ninguém só

Só nós dois e ninguém só

Conheci você cantando

Nossa música

Entendi que tudo é nosso, mesmo que tenha dono

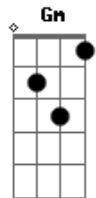

Invadi você por todo esse tempo

Sem perguntar, e assim

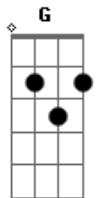

Aprendi que agradecer não basta

Poesia não tem fim
