Uma vida nova em Cristo venha experimentar
E de coração rendido, dia a dia se entregar
Com os olhos para o alto daqui menos depender
Para o mundo estamos mortos
Nossa vida escondida está em Deus
D7
Nasci pro céu
Olhe, olhe mais longe, além do mundo, voe pro céu
Busque, busque o alto, pôr sobre a vida

Veja o trono, onde está Deus!

C D7 G
(Alçando vôo se lançar)

(D7)

Vem do céu essa alegria que me faz compreender
Vejo além da agonia é certo eu vou vencer
Se levante para Cristo, não se arraste mais ao chão
Meu irmão cabeça erguida, Ele trás a nova vida
O amor e o perdão, olhe pro céu
Se portanto ressuscitastes, buscai tudo que está no alto
Onde Cristo é tudo em todos, vem à vida nova se lançar
