

Céline Dion - Another year has gone by

Tom: **G**

G
So many 25th's of December
Em
Just as many 4th of July's
Bm
And we're still holding it together
C
It only comes down to you and I
G
I know you can still remember
Em
Things we said right from the start
Bm
When we said that this could be special
C
I'm keeping those words deep down in my heart

REFRÃO

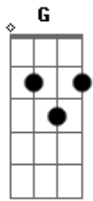

G **Em**
Another year has gone by
Am
And I'm still the one by your side
C **G** **Em**
After everything that's gone by
Am

There's still no one saying goodbye
C **G** **Em** **D**
Though another year has gone by

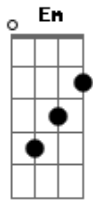

G
I've never been much for occasions
Em
You never let a birthday go by
Bm
Without announcing how much you love me
C
But the truth was always there -
right there in your eyes
G
And we're still holding hands when we're walking
Em
Acting like we've only just met
Bm
But how could that be - when there's so much
history
C
Guess that's how true lovers can get
