

# Céline Dion - Eyes On Me

tom:  
[Primeira Parte]

Em  
I know that once in love  
C  
You don't think of the devil who's inside  
Em  
And maybe there'll come one day  
C  
When you'll feel safe and I won't have the time  
[Refrão]

Em  
You'll hear what you wanna hear  
C  
Blink once, I could disappear  
Some rules to the game will make it  
C  
Right for both of us  
Em  
Just say what you wanna say  
C  
I've got it to give away  
A7  
We both wanna make it last  
C  
So keep your eyes on me  
Db  
Your eyes on me  
[Segunda Parte]

Em  
It's not an illusion that you're the one  
Db  
And I have fallen deep  
Em  
I said right from the start  
C  
When we're apart, you must only think of me  
[Refrão]

Em  
Temptation is all around  
C  
Take good care of what you've found  
A7  
That's why when I turn around  
C  
You better keep  
Em  
You better keep your eyes on me  
C  
No matter what you think I need  
A7  
No matter what you once believed  
C  
If you're mine  
Em  
So you better say yeah  
[Ponte]

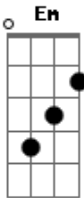

Em  
No matter what you think of me  
C  
No, it doesn't really matter what you once believed  
(Say yeah)  
A7  
I wanna be the air you breathe  
C  
Yeah, you better be everything you said you'd be

(So you better say yeah)  
Em  
I wanna be the only one or  
C  
We can't go on  
A7  
No matter what you think I need  
C  
You better keep your eyes on me  
[Pré-Refrão]

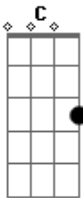

Em  
Say that you want me  
A7  
Open up your heart  
C  
Even if it's hard  
Em  
Say that you need me  
A7  
Then let 'em know  
C  
Baby, don't put on a show  
Em  
Say that you need me  
G  
Tell 'em how you feel  
A  
Let 'em know it's real  
Em  
And if you love me  
C  
Never turn your back  
A  
Gonna keep my eyes on that  
[Refrão]

G  
Temptation is all around  
C
