

Céline Dion - Fade away

Tom: **D**

Intro: d: **B A G**

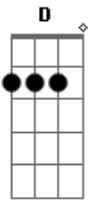

B
A **G**
I learned from the past Not everything lasts I understand that
now
B
A **G**
Everything changed When you walked away but I'll survive
somehow
B
A **G**
Though I have regrets I'll learn to forget and just keep
moving on
B
Cause when love is gone You have to be strong
B **G** **D** **A**
Once touched by pain you're not the same
B **G** **D** **A**
But time can heal your heart again
G G G **D** **A**
So let the clouds that bring you down
B **A G**
Just fade away, away
B
A **G**
So I try to smile But after a while the memories come back
B
A **G**
But I won't give in cause I know that then my heart will fade

to black
B
And this time I learned that love can burn
B **G**
D **A**
There's no right or wrong I've got to be strong once touched
by pain
B **G** **D** **A**
You're not the same but time can heal
G G G **D** **A** **B**
Your heart again so let the clouds that bring you down
B **A G**
Just fade away, away
Gbm G Gbm G Gbm Em
I know that one day I'll find that feeling again
B **G** **D**
A
But until I do I'll do fine by myself once touched by pain
B **G** **D** **A**
You're not the same but time can heal
G G G **D** **A**
Your heart again so let the clouds
B **D** **A**
That bring you down once touched by pain
B **G** **D** **A**
You're not the same but time can heal
G G G **D** **A** **B**
Your heart again so let the clouds that bring you down
B **A G**
Just fade away, away
