D
Baby baby
A
As I rock you gently
Em **G**
Right here in my arms

I promise to always

Be here for you
G
Keep you safe and warm
A
Sometimes in the middle of the night
Em
I wake up cryin' when I think of how long
A
It took to find you
Em
And now that I have I won't be movin' on
A
Nothing can ever separate us
Em
We know where we belong
G
All I'm asking you
Em
All I'm asking
A
Before this moment's gone

And that's just so hard to believe

Before I set you free
