Intro: E A E B
You are a wildfire and I wanna be your oxygen
You are a dreamer and I'll be the arms you're sleepin' in
You are a butterfly and I wanna be your blue sky
You are a gypsy and I'm on your passenger side
Wherever you go, oh, I'll be
When you need me close, oh, I'll be
                Dbm
No, you won't be alone
Through the highs and the lows
          E B
You know you got me
         E A
Wherever you go, oh, I'll be
You are an angel and I wanna be your messenger
                               E
You are the lightnin' and I wanna be your thunder
You are a shooting star and I wanna be your night sky
```

Through the highs and the lows
