And I would hold it down

From the first moment

F C
You, you are the love of my
You are the love of my life

You, you are the love of my

Always the love of my life
F
The good, the bad, the ugly too
Am C
I take it all because the truth is
F C
You, you are the love of my
F
You are the love of my life
G C
My life

C Am Em
When it comes to you and me
C Am Em
I'll never say the word goodbye, mm

Because we are eternity
C Am Em
Your essence is my lullaby

F C
From the first moment
F
And I would hold it down

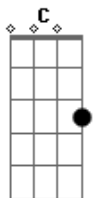

From the first moment
G
From the first moment

You, you are the love of my
You are the love of my life
