Tom: **Bb**

(com acordes na forma de **F**)  
Capostrate na 5ª casa  
capo 5th)

**C**  
I would walk to the edge of the universe for you,  
**Am** paint you a crimson sunset over sheltering skies.  
**C** I could learn all the world dialects for you,  
**Am** whisper sonnets in your ear discovering truth.  
**Dm** I could never worship pagan gods around me,  
**Dm** I will only follow the path that leads me to you baby, always.

(Chorus:)

**C** Every step I take for you I will always defend, never pretend,  
**C** that every breath I take for love,  
**Dm** I could never be wrong, the journey is long,  
**Bb** with miles to go before I sleep, miles to go before I sleep.

(Instrumental:) **Bb F**

**C** I would carry the rock of Gibraltar just for you,  
**Am** lift it like a pebble from the beach to the skies.  
**C** I could build you a bridge that spans the ocean wide,  
**Am** but the greatest gift I give you would be to stand by your side.  
**Dm** Some can criticize and sit in judgment of us,  
**Dm** but they can't take away the love that lives inside us always.

(Chorus)

(Instrumental:) **C G Am F**  
**Dm** I won't run from the changing signs along the highway,  
**Dm** let the rivers flow to the highest ground created.

(Chorus)

**Bb** Miles to go before I sleep.
