

# Céline Dion - Only One Road

Tom: Bb

I'm looking back  
Through the years  
Down this highway  
Memories they all lead up  
To this one day  
And many dreams  
Lost along the way  
Haunt me still  
I guess they always will  
When love was too much to bear  
I just left it there  
Here I stand  
Face to face  
With this heart of mine  
With or without you  
I only fall behind  
We had a love  
Most people never find  
All this time  
I never realized  
And the courage I finally found  
Has made me turn around  
There is only one road  
I'm walking  
Only one lifetime  
One heart to guide me  
Only one road  
I'm walking  
But I'm gonna run back  
I'm gonna run back

'Cause I need you right here  
Beside me

I can still hear the song  
Of your laughter  
I can still taste the sorrow  
Of your tears  
We said goodbye  
But our hearts did not hear  
Now my love  
There's nothing left to fear  
With all my heart put me through  
It leads me back to you

There is only one road  
I'm walking  
Only one lifetime  
One heart to guide me  
Only one road  
I'm walking  
But I'm gonna run back  
I'm gonna run back  
'Cause I need you right here  
Beside me

There is only one road  
I'm walking  
Only one lifetime  
One heart to guide me  
Only one road  
I'm walking  
But I'm gonna run back  
I'm gonna run back  
'Cause I need you right here  
Beside me
