D
Don't know much about your **G** life
D
Don't know much about your **G** world but
Bm
Don't want to be alone tonight
D
On this planet they call earth.

D
You don't know about my **G** past and
D
I don't have a future **G** figured out
Bm
And maybe this is going too fast
Bm
And maybe it's not meant to last

D
But what do you say to taking **G** chances?
Bm
What do you say to jumping **Em** off the edge?
D
Never knowing if there's **G** solid ground below
A
Or a hand to hold, or **Em** hell to pay
D
What do you say? **G**
D
What do you say? **G**

D
I just want to start **G** again
D
Maybe you could show me **G** how to try
Bm
Maybe you could take me in **C**
Bm
Somewhere underneath your skin!

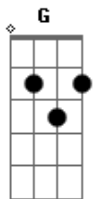

[repete coro]

D
And I had my heart beaten down
G
But I always come back for more, yeah.
D
There's nothing but love to pull you up,
G
When you're lying down on the floor yeah
D
So talk to me, talk to me, like **G** lovers do
D
And walk with me, walk with me like **G** lovers do **Bm**
C
Like lovers do **Bm** **C**

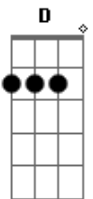

[repete coro]

D
Don't know much about your **G** life
D
And I don't know much about your world... **G** (#11)
