

# Céline Dion - The Colour Of My Love

Tom: C

**Db** **Gb7**  
I'll paint my mood  
**Ab**  
in shades of blue  
**F7**  
paint my soul  
**Bbm**  
to be with you  
**Bbm** **Gb7**  
I'll sketch your lips  
**Fm**  
in shaded tones  
**Bbm** **Gb**  
draw your mouth to my own

**Db** **Gb7**  
I'll draw our arms  
**Ab**  
around my waist  
**F7**  
then I doubt  
**Bbm**  
I shall erase  
**Bbm** **Gb7**  
I'll paint the rain  
**Fm**  
that softly lands  
**Bbm** **Gb**  
on your windblown hair

**Ebm**  
I'll trace a hand  
**Ab**  
to wipe your tears  
**Fm** **Bbm**  
a look to calm your fears  
**Ebm** **Fm**  
a silhouette of dark and light  
**Gb**  
While we hold each other  
**Gb** **Ab7** **Db**  
oh, so tight

**Db** **Gb**  
I'll paint a sun  
to warm your heart  
**Fm** **Bbm**  
swearing that we'll never part  
**Ebm** **Ab7** **Db**  
that's the colour of my love  
**Db** **Gb**  
I'll paint the truth  
show how I'll feel  
**Fm** **Bbm**  
try to make you completely real  
**Ebm** **Fm**  
I'll use a brush so light and fine  
**Gb7**  
to draw you close  
**Gb** **Ab7** **Db**  
and make you mine

**C7** **F**  
I'll paint a sun  
to warm your heart  
**Em** **Am**  
swearing that we'll never, ever part  
**Em** **G7** **C**  
that's the colour of my love  
**C** **F**  
I'll draw the years all passing by  
**Em** **Am**  
so much to learn, so much to try

**Dm**  
And with this ring  
**Em**  
Our lives will start  
**Dm** **Em**  
Swearing that we'll never part  
**Dm** **Em**  
I offer what you cannot buy  
**F7**  
Devoted love  
**F** **G7** **C** **F** **C** **G** **C**  
Until we die...
