

Céline Dion - Think Twice

Tom: F

Don?t think I can't feel
That there's something wrong
You've been a sweetest part
Of my life for so long
I look in your eyes
There's a distant light
And you and I know
There'll be storm tonight

This is getting serious
Are you think about you
Or us

Don?t say what you about to say
Look back before you leave my life
Be sure before you close that door
Before you roll those dice
Baby think twice

Baby think twice for the sake of our love
For the memory
For the and faith

Baby I know it ain't easy when
Your soul cries out for higher ground
'Cause when you're halfway up
You're always halfway down

But baby this is serious
Are you think about you
Or us

Refrão

Baby this is serious
Are you think about you
Or us

Don?t say what you about to say
Look back before you leave my life
Be sure before you close that door
Before you roll those dice
Don?t do what you about you do
My everything depends on you
Whatever it takes I'll sacrifice
Before you roll those dice
Baby think twice
