

Celso Fonseca - A Origem da Felicidade

tom:

B

Mesmo que a tristeza desbote o seu dia

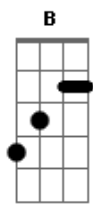

Por trás das núvens do mau tempo brilha o sol

Removí o sofrimento com a alegria

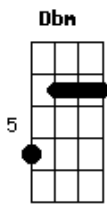

Minha bússola, meu rumo, meu faról

A alegria é o alimento da alma

A alegria é nossa grande inspiração
A alegria recompensa os sacrifícios
A alegria é soberana decisão
Tempera o teu medo com a esperança
Inclina essa balança a teu favor
A alegria é a origem da felicidade
Acredito que o samba é o criador
