

Celso Viáfora - Não Vai Dar Certo

tom:
Am

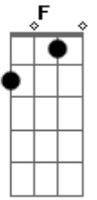

Sabe a sensação de que nunca essa porra vai dar certo
 A gente até faz direito, a gente até passa perto
 E sai na cara do gol. A gente mata no peito
 A gente dá nosso show e chuta a bola no teto
 A sensação de que sempre o amanhã vai ser punk

Porque a vida tá reavy, porque o mundo tá Trump
 E por mais que agente trampe, a gente pague o que deve
 Os cara vem com uma verve tira a gente do ranking
 A sensação de que sempre vão furar nosso tanque
 Expulsar nosso beque, sabotar nosso arranque
 Pisar no nosso breque e eleger outra gangue
 Para fazer uma PEC para sugar nosso sangue
