                                                                If we make it through, make it through the night
Intro: Dm G C
                                                                           Dm
                                                                Am
F
                                                                It'll be alright
                               G
You come around playing with my heart
                                                                                         C
                                                                G
                                                                If we make it through, make it through
                               G
You come around telling me secrets
                                                                        Dm
Dm
                     G
                                          C
                                                                Am
You come around asking me why I've been such a fool
                                                                It'll be alright
                                                                                        C
                                                                G
                                                                If we make it through, make it through the night
Dm
                                G
But I'll take it back to the start
                                                                Am
                                                                         Dm
Dm
                       G
Back to when it's something new
                                                                It'll be alright
                                                                                         C
Dm
                                           C
Change it comes around with it's reflections too
                                                                If we make it through, make it through
      Dm
                                                                [Solo] Dm G C
Am
It'll be alright
                          С
                                                                Am
                                                                      Dm
G
If we make it through, make it through the night
                                                               It'll be alright
          Dm
                                                                                         C
Am
                                                                G
It'll be alright
                                                                If we make it through, make it through the night
                         С
If we make it through, make it through
                                                                      Dm
                                                                Am
                                                                It'll be alright
(Dm G C)
                                                                                        C
                                                                G
                                                                If we make it through, make it through
Dm
                  G
Slide your way on over baby
                                                                Am
                                                                         Dm
                                                                It'll be alright
Dm
                 G
Light the cigarette yeah
                                                                                         С
                                                                G
                                                                If we make it through, make it through the night
Dm
                 G
                                          C
Stacking up in between your teeth yeah, no regrets
Baby I said
                                                                Am
                                                                          Dm
                                                               It'll be alright
                                                                                            C
          Dm
Am
                                                                G
It'll be alright
                                                                If we make it through, make it through
                          С
