

# César Passarinho - Assim No Más

Tom: F

Dm Gm C7 F Bb Gm A7 Dm

Por conhecer a lida que a vida me deu  
 Meu galopear de moço escaramuça de dor  
 Quando te vejo vindo meu fruto da mata  
 Arrastando alpargata carente de amor

Parece que o silêncio das rondas noturnas  
 Amontam o potro arisco da imaginação  
 Quando te espero cedo meu rumo isolado  
 Lavando o amargo apesar da ilusão

(Esporiei reminiscências com pesadas nazarenas  
 Bis

Na esperança que a saudade amansassem as minhas penas)

(intro)

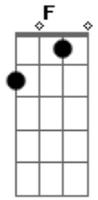

Mais dias menos dias domando pelegos  
 Vou arranjar sossegos que a espera me deu  
 Embriagando mágoas nas águas da sanga  
 Onde sovei as pampas meus sonhos nos teus  
 Nas ressolanas tardes de anseios trocados  
 A terra prometida arando restevos  
 Guardando pra semana o mel da lichiguana  
 E a manhã castelhana que habita as estrelas

(intro)

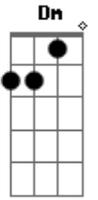

E assim no más me perco alustrado de achegos  
 Em meio a circunstância dos mesmos juncais  
 Que te acolheram nua meu resto de lua  
 No poente charrua emponchado de paz

(intro)
