**Gm F**

When I was walking in town

This morning after months on the road

I thought I'm the memories

**D7**

All I have seen and what I've done

**Gm F**

This cold just break my bones

**Dm7**

Why the sun is not strong enough?

**Gm F**

But the noise in my neighborhood

**D7**

Brought back the heat

**D7 Gm F**

Brought back the will

**C**

Telling to my friends

**Gm F**

Where I went and with whom I

**C**

Telling to my friends

**Gm F**

Where I've been

**C**

**Bb7**

My steps on the dancefloor

**Eb7 D7**

**Gm**

Lit the lights of the nightclub

**F**

**Cm7**

The avenue where I played

**Eb7 D7**

**Gm**

Was made of bricks from forest plants

**F**

**Cm7**

**Eb7**

And vans don't need no fuel to move through

**D7**

The streets bloom

**Gm**

**Eb**

**C**

**D7**

**Gm**

When I die, I'll be not aware of who I am

**Eb**

**C**

But I'm more alive than ever

**D7**

To trace my way
