**Gm F**  
When I was walking in town  
**Dm**  
This morning after months on the road  
**Gm F**  
I thought I'm the memories  
**D7**  
All I have seen and what I've done  
**Gm F**  
This cold just break my bones  
**Dm**  
Why the sun is not strong enough?  
**Gm F**  
But the noise in my neighborhood  
**D7**  
Brought back the heat  
**D7 Gm F**  
Brought back the will  
**C**  
Telling to my friends  
**Gm F**

Where I went and with whom I  
**C**  
Telling to my friends  
**Gm F**  
Where I've been  
**C Bb7**  
My steps on the dancefloor  
**Eb7 D7 Gm**  
Lit the lights of the nightclub  
**F Cm**  
The avenue where I played  
**Eb7 D7 Gm**  
Was made of bricks from forest plants  
**F Cm Eb7**  
And vans don't need no fuel to move through  
**D7**  
The streets bloom  
**Gm Eb C D7 Gm**  
When I die, I'll be not aware of who I am  
**Eb C**  
But I'm more alive than ever  
**D7**  
To trace my way  
**Gm F C Eb**  
**Gm F C**
