

Chama Santa - Eu Quero o Céu

tom:

Intro: **G**
Gadd9 F C
Am7 D D7

Sei que aqui estou de passagem

Que por caminhos tortuosos tenho que trilhar

Mas eu vou à luta, sigo sem desanimar

Meus pecados trouxeram feridas

Junto ao incômodo e a tristeza que as vezes dá

Desse vírus eu quero a cura

E eu sei muito bem onde encontrar

Quero Tua atenção

Nem que eu tenha que gritar

Pois agora farei tudo para conseguir me salvar

Preciso de Tua ajuda

Me cansei de ser aréu

O meu ser Ti implora, eu quero o céu

[Solo] **Em7 D Am7 C**
Em7 D F7M Cadd9
Em7 D Am7 C
Em7 D F7M Cadd9

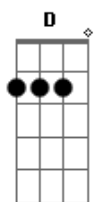

Preciso sair de mim, eu quero um bem maior

Meu lugar não é aqui, não aqui não é

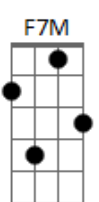

O paraíso é contigo, é onde eu quero estar

Mas o que tenho que fazer para te alcançar?
