tom:
Capostrate na 1ª casa
Intro: C Am C

Am
Side by side

We got into this ride
C
And where it goes

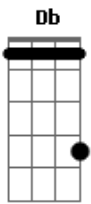

We just don't know
Am
Side by side
Is how we say goodbye
C
And all our guts just disappear

C
Clean consciousness at least
Am
I took this weight out of my shoulders
C
No more disguise, now we both know what we both want
Am
Table for one, my heart went numb

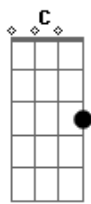

C
We don't know how fast it's moving
C
Why are we both self removing
G
I'll be on my hoodie, smoking a goodie
C
Waiting for you to come
(C)

Am
I've never said it was too much
C
Don't patronize who you don't know
