

# Chance Peña - I Am Not Who I Was

tom:

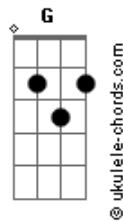

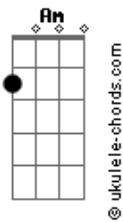

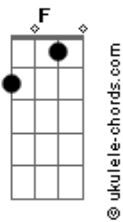

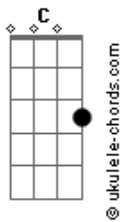

Intro: C F Am G

C  
I've been living on the road  
F  
Made a buck of my soul  
Am G  
I've been singing stories to the crowd  
F  
It's been a while since I've been home

C  
I think about you every night  
F  
Wonder what it would've been like  
Am G  
If I stuck around and settled down  
F  
Maybe in another life

Am F C  
So, if I fly too far  
Am F C  
Will I still have a place inside your heart?  
Am F C  
And, when you see what I've become  
Am F C  
Will you love me for who I am, not who I was?

## Acordes

C  
You keep me steady on the ground  
F  
When my head's lost in the clouds  
Am G  
That spotlight, though it shines bright  
F  
Could never drown you out  
C  
I know it's hard when I'm away  
F  
I'll just hope you don't lose faith  
Am G  
'Cause I told the truth when I said to you  
F  
That I'll be back someday  
Am F C  
So, if I fly too far  
Am F C  
Will I still have a place inside your heart?  
Am F C  
And, when you see what I've become  
Am F C  
Will you love me for who I am, not who I was?  
Am F C  
Will you love me for who I am, not who I was?
