

Chance Peña - The Mountain Is You

tom:
Intro: C F Am F

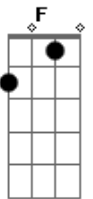

I've become
A figment of my imagination
That's why I run
Towards self-love and inner restoration
Mm-mm, mm
I don't know what it is that I'm climbing to
I hear your words in my head, you said: The mountain is you
And only worry can bring me down
I'm scared to let go of what I'm scared to lose
I'm pouring out myself, I'd give it all for the view
And only worry can bring me down
You said: The mountain is you

The mountain is you
Yep
Oh-ooh-ooh, ooh
Heart and my hands, don't fail me now
Won't let the weight of my fear go and knock me down
Only way's up, no going around
Oh
You called my name in the dead of night
I was barely surviving, almost left the climb
Said: Don't look down, but open your eyes
You were right, you said, the mountain is you (ooh)
The mountain is you (ooh)
You said: The mountain is you (ooh)
The mountain is you (ooh)
