

Chance The Rapper - Same Drugs

Tom: C

We don't do the same drugs no more

We don't do the, we don't do the same drugs, do the same drugs no more

Cause she don't do the same drugs no more

We don't do the, we don't do the same drugs, do the same drugs no more

When did you change?

Wendy you've aged

I thought you'd never grow up

I thought you'd never

Window closed, Wendy got old

I was too late, I was too late

A shadow of what I once was

Cause We don't do the same drugs no more

We don't do the, we don't do the same drugs, do the same drugs no more

She don't laugh to same way no more

We don't do the, we don't do the same drugs, do the same drugs no more

Where did you go?

Why would you stay?

You must have lost your marbles

You always were so forgetful

In a hurry

Don't wait up

I was too late, I was too late

A shadow of what I once was

Cause we don't, we don't do what we say we're gonna

You were always perfect, and I was only practice

Don't you miss the days

Stranger?

Don't you miss the days?

Don't you miss the danger?

We don't (we don't) do the same drugs no more (do the same drugs no more)

We don't do the, we don't do the same drugs, do the same drugs no more

We don't (we don't) do the same drugs no more (do the same drugs no more)

We don't do the, we don't do the same drugs, do the same drugs no more

We don't do the, we don't do the same drugs

Don't forget the happy thoughts

All you need is happy thoughts

The past tense, past bed time Way back then when

everything we read was real And everything we said rhymed

Wide eyed kids being kids Why did you stop?

What did you do to your hair?

Where did you go to end up right back here?

When did you start to forget how to fly?

Don't you color out

Don't you bleed on out, oh

Stay in the line, stay in the line

Dandelion
