

Chappell Roan - Kaleidoscope

tom: [Intro] Bm E A7M Bm

A

Bm E
Here we go again

A7M
Everything is fine

Bm
I guess we could pretend

Bm
We didn't cross a line

E
But ever since that day

A7M
Everything has changed

Bm
The way I write your name

Bm
The cursive letter

A
Whenever it may be

E
That you go on your way

A7M
If you really wanna leave

Bm
I'll never make you stay

E
Whatever you decide

A7M
I will understand

Bm
And it will all be fine

Bm
Just go back to being friends

E
And love is a kaleidoscope

A7M
How it works we'll never know

Bm
And even all the change

Bm
Is somehow all the same

E
Turnin' to the left and right

A7M
Colors shining in your eye

Bm
And even upside down

Bm
It's beautiful somehow

E
It's never just a shape alone

A7M
Love is a kaleidoscope

Bm E
And if you ever find

A7M
Someone who could write

Bm
A better song for you

Bm
Well, I'd love to see them try

E
Put it all in words

A7M
And sing it all in tune

Bm
There's no one else who could

Bm
The only one is you

E
And if you change your mind

A7M
I will understand

Bm
And it'll just take time

Bm
To go back to being friends

E
And love is a kaleidoscope

A7M
How it works we'll never know

Bm
And even all the change

Bm
Is somehow all the same

E
Turning to the left and right

A7M
Colors shining in your eye

Bm
And even upside down

Bm
It's beautiful somehow

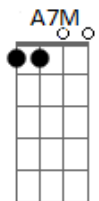

E
Every color of the rainbow

A7M
Don't be afraid to hold it close

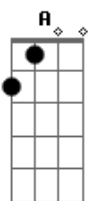

Bm
It's never just a shape alone

E A7M
Love is a kaleidoscope
