

Chappell Roan - My Kink Is Karma

tom:
Intro: A A7M G D

[Primeira Parte]

A
We broke up on a Tuesday
A7M
Kicked me out with the rent paid
G
Ruined my credit, stole my cute aesthetic
D
Who knew that we'd let it
Get this bad when it ended?
A
It's comical, bridges you burn
A7M
If karma's real, hope it's your turn
G
I heard from Katie
You're losing it lately
D
Moved back with your parents
And date girls who are eighteen

[P?é-Refrão]

A
It's hot when you have a meltdown
In the front of your house
And you're getting kicked out
A7M
It's hot when you're drinking downtown
And you're getting called out
'Cause you're running your mouth
G
Oh, God
And it's coming around, yeah, it's
Coming around, yeah, it's coming around
D
Oh, God, oh, God
People say I'm jealous
But my kink is watching

[Refrão]

A
You ruin your life
You losing your mind
A7M
You dyeing your hair
People say I'm jealous
But my kink is watching
G
You crashing your car
You breaking your heart
D
You thinking I care
People say I'm jealous
But my kink is karma

[Segunda Parte]

A
Wishing you the best, in the worst way
A7M
Using your distress as foreplay
G
Six months since April, and I'm doing better
D
No need to be hateful in your fake Gucci sweater
