

Charlene - I've Never Been To Me

Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

Hey lady, you lady, cursing at your life
You're a discontented mother and a regimented wife
I've no doubt you dream about the things you'll never do
But, I wish someone had talked to me
Like I wanna talk to you.

Oh, I've been to Georgia and California and anywhere I could run
I took the hand of a preacher man and we made love in the sun
But I ran out of places and friendly faces because I had to be free
I've been to paradise but I've never been to me.

I've been to paradise but I've never been to me

Please lady, please lady, don't just walk away
'Cause I have this need to tell you why I'm all alone today
I can see so much of me still living in your eyes
Won't you share a part of a weary heart that has lived million lies.
Oh, I've been to Georgia and California and anywhere I could run
I took the hand of a preacher man and we made love in the sun
But I ran out of places and friendly faces because I had to be free
I've been to paradise but I've never been to me.
