

Charles Irwin - A Sad Song About a Girl I No Longer Know

Tom: G
Intro: Em G A7 C
Em G A7 C Db

C
I...I can't deny
You're the reason that I cried every night
And I don't know why
But you never found your way out of my mind
C
Participating in your games is something
That will never make me proud to be the one that you turned to
C
The push and the pulls and ins and outs
G
They always left me filled with doubt but I can't say that I
didn't love you
C
Cuz that'd be a lie, and I don't like being mislead
G
So I won't put that in your head that I'm the same
C
The tears that I cried all the miscommunication
G
And the testing of my patience drove me insane

C
And now I wish I would've second guessed
C
The butterflies I'd get inside my chest
C
Convinced myself that we were meant to be
C
Oh why'd I let you walk all over me
C
Oh why'd I let you walk all over me

C

When you got a clue
G
Of all the pain and sadness that you put me through
C
Point for me, cuz evidently
G
You did just what I expected you to do
C
I let myself be vulnerable, I hold myself responsible for
G
Letting you stick pins into my heart
C
In retrospect the younger me was too lovesick and dumb to see
that
G
It was a disaster from the start
C
And now I wish I saved myself the pain
C
And looked from the perspective of my brain
G
I told myself that we could work it out
C
But it's too late to fix that problem now
C
Yeah it's too late to think about that now
