

# Charli XCX - Hanging Around

Tom: E

E A E

B Help me out, I need escape It's the truth, I got to go

E A E

B With all the boys in the back alley And all my girls in the super store

E A E B

E Because we need electricity City lights gotta glow for me

E A E

B I want more than a car I'm a queen So get your shit, now we got to roll

E A E B

E Let's go out of this town, too but hanging around.

E A E

B Sky high, head in the clouds, Never gonna come down.

E A E

B Drums' pace turn 'em up loud Free for spinning around.

E A E

B Sky high, head in the clouds Never gonna come down.

E A E

B Take the car and cut the brakes, Driving out into the dark

E A E

B Even though I love mom and dad, I wanna swim out, and we leave the shorts

E A E

B I wanna learn to speak Japanese Raise and shop for the silver grave

E A E

B You were make for limousine So get your shit, and come with me

E A E B

E Let's go out of this town, too but hanging around.

E A E

B Sky high, head in the clouds, Never gonna come down.

E A E

B Drums' pace turn 'em up loud Free for spinning around.

E A E

B Sky high, head in the clouds Never gonna come down.

E A E

B Blowing bubbles out in the cross All time go in stars, getting faded in the back seat

E A

E You can be a honey with us We used to walk around the back street

B

E Swimming through some merry heels

A

E B

E Fuck the dream, I want it for real Always making look so easy, move into the city

E A

E Take it little something surreal, Rematch more then enough,

B

B Yeah we all just tryina be who we feel

A E B

A Fall and get up in the air, we don't care, no

A E B

A Something on a silver ware, wanna let go

B E

A We're so caught up being held, We don't care, no

A

E I wanna run our wild and free When my friends stand next to me

E A E B

E Let's blow out of this town, too but hanging around.

E A E

B Sky high, head in the clouds, Never gonna come down.

E A E B

E Drums' pace turn 'em up loud Free for spinning around.

E A E

B Sky high, head in the clouds Never gonna come down.

E A E B

B E Uuh aha ah ah Hanging on hanging on.

A E B

B Uuh aha ah ah Hanging on hanging around.
