

Charlie Puth - Attention

tom:
Capostrate na 1ª casa (forma dos acordes no tom de C)

You've been running round, running round, running
Round throwing that dirt all on my name
Cause you knew that I, knew that I, knew that I'd
Call you up
You've been going round, going round, going round
Every party in LA
Cause you knew that I, knew that I, knew that I'd
Be at one

I know that dress is karma, perfume regret
You got me thinking about when you were mine
And now I'm all up on you, what you expect
But you're not coming home with me tonight

You just want attention
You don't want my heart
Maybe you just hate the thought of me with
Someone new
Yeah, you just want attention
I knew from the start
You're just making sure I'm never gettin' over
You
You've been running round, running round, running
Round throwing that dirt all on my name
'Cause you knew that I, knew that I, knew that
I'd call you up
Baby, now that we're, now that we're, now that
We're right here standing face to face
You already know, already know, already know that
You won

I know that dress is karma, perfume regret
You got me thinking about when you were mine
And now I'm all up on you, what you expect
But you're not coming home with me tonight

I know that dress is karma, perfume regret
You got me thinking about when you were mine

Acordes

And now I'm all up on you, what you expect
But you're not coming home with me tonight

You just want attention
You don't want my heart
Maybe you just hate the thought of me with
Someone new
Yeah, you just want attention
I knew from the start
You're just making sure I'm never gettin' over
You

What are you doing to me? What are you doing
Huh?
What are you doing to me? What are you doing
Huh?
What are you doing to me? What are you doing
Huh?
What are you doing to me? What are you doing
Huh?

I know that dress is karma, perfume regret
You got me thinking about when you were mine
And now I'm all up on you, what you expect
But you're not coming home with me tonight

You just want attention
You don't want my heart
Maybe you just hate the thought of me with
Someone new
Yeah, you just want attention
I knew from the start
You're just making sure I'm never gettin' over
You

What are you doing to me? What are you doing
Huh?
What are you doing to me? What are you doing
Huh?
What are you doing to me? What are you doing
Huh?
