

Charlie Puth - Girlfriend

```
Baby, would you ever want to be my girl-friend?
                            tom:
                Ab (forma dos acordes no tom de G )
                                                                 I don't wanna play no games (no games)
Capostraste na 1ª casa
                                                                 This is more than just a phase
 Tired of this conversation
                                                                 Baby, would you ever want to be my girl-friend? 
 \ensuremath{\mbox{\sf G}}
 We didn't come all this way to
                                                                 If you want it, let me know (me know)
Touch a little, kiss a little
                                                                 We could make this official (for sure)
All night long
Hold on you're makin' me (oh no, baby)
                                                                 Hold on you're makin' me (oh no, baby)
 I know I kept you waitin'
                                                                 0h\hbox{-} oh\hbox{-} oh\hbox{-} oh\hbox{-} oh
Just a little, just a little
                                                                 Oh-oh-oh-oh-oh friend
All night long
                                                                 Hold on you're makin' me (oh no, baby)
G F
Can't stop
                                                                 Hold on you're makin' me (oh no, baby)
'Til you're lyin' right here next to me
                                                                 Oh-oh-oh-oh-oh
I should stop
                                                                 Oh-oh-oh-oh-oh friend
But I think I?ll do it anyway
                                                                 Can't stop (woah)
Baby, would you ever want to be my girl-friend?

G

F
                                                                 Oh no, I should stop
I don't wanna play no games
                                                                 But I had to do it anyway
This is more than just a phase G F G
                                                                 I had to do it anyway
Baby, would you ever want to be my girl-friend?

G

F
                                                                 I had to do it anyway
If you want it let me {\sf know}
                                                                 I had to do it anyway
                                                                 Baby, would you ever want to be my girl-friend?
We could make this official
Don't we look perfect baby?
                                                                 I don't wanna play no games (no games)
                                                                 This is more than just a phase G F G
Let's take this further baby
                                                                 Baby, would you ever want to be my girl-friend?

G

F
Just a little, just a little
G F C
                                                                 If you want it let me know (me know)
All night long
If I was your boyfriend, I
                                                                 We could make this official
I'd be givin' you all my time

G

F
                                                                 Hold on you're makin' me (oh no, baby)
Not just a little, just a little
                                                                 Hold on you're makin' me (oh no, baby)
All night long
                                                                 Oh-oh-oh-oh-oh
Can't stop
                                                                 Oh-oh-oh-oh-oh friend
'Til you're lyin' right here next to me

G

F
                                                                 Hold on you're makin' me (oh no, baby)
                                                                 Hold on you're makin' me (oh no, baby)
But I think i'll do it anyway
                                                                 Oh-oh-oh-oh-oh
                                                                 Oh-oh-oh-oh-oh friend
