

Charlie Puth - I Warned Myself

tom:
Capostrate na 1ª casa

I warned myself that I shouldn't play with fire
But I can tell that I'll do it one more time
Don't trust in myself, no good for my health
You messed with my heart, now you're the reason why

Do you remember when you told me I don't have to worry?
He's overseas, out on his tour, he'll be okay without me
You said you had nothing to hide, that you left him long ago
I shoulda known that was a lie

I warned myself that I shouldn't play with fire
But I can tell that I'll do it one more time
Don't trust in myself, no good for my health
You messed with my heart, now you're the reason why

I warned myself that I shouldn't play with fire
The reason why

But I can tell that I'll do it one more time
Don't trust in myself, no good for my health
You messed with my heart, now you're the reason why

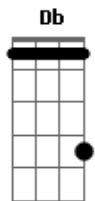

Do you remember when you said: Do not tell anybody
Cause if ya do, I'll be the first to put my hands around your throat?
If you had nothing to hide, why is no one s'posed to know?

I shoulda known that was a lie
I warned myself that I shouldn't play with fire
But I can tell that I'll do it one more time
Don't trust in myself, no good for my health
You messed with my heart, now you're the reason why

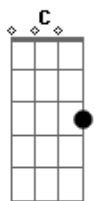

I warned myself that I shouldn't play with fire
But I can tell that I'll do it one more time
Don't trust in myself, no good for my health
You messed with my heart, now you're the reason why

The reason why
