

# Charlie Puth - Left And Right (feat. Jung Kook Of BTS)

tom:  
 [Refrão]  
 Memories follow me left and right  
 I can feel you over here, I can feel you over here  
 You take up every corner of my mind  
 (What ya gon' do now?)  
 [Primeira Parte]

Ever since the-the day you-you ran away  
 No, I don't know how  
 How to erase your body from out my brain?  
 What ya gon' do now?  
 Maybe I should just focus on me instead  
 You're all I think about  
 All the nights we were tangled up in your bed  
 [Pré-Refrão]

Oh, no (Oh, no)  
 Oh, no (Oh, no)  
 You're goin' 'round in circles  
 Got you stuck up in my head, yeah  
 [Refrão]

Memories follow me left and right  
 I can feel you over here, I can feel you over here  
 You take up every corner of my mind  
 Your love stays with me day and night  
 I can feel you over here, I can feel you over here  
 You take up every corner of my mind

What ya gon' do now?  
 [Segunda Parte]

Ever since the-the day you went away  
 Someone tell me how  
 How much more do I gotta drink for the pain?

What ya gon' do now?  
 You do things to me that I just can't forget  
 You're all I think about  
 All the nights we were tangled up in your bed  
 [Pré-Refrão]

Oh, no (Oh, no)  
 Oh, no (Oh, no)  
 You're goin' 'round in circles  
 Got you stuck up in my head, yeah  
 [Refrão]

Memories follow me left and right  
 I can feel you over here, I can feel you over here  
 You take up every corner of my mind  
 Your love stays with me day and night  
 I can feel you over here, I can feel you over here  
 You take up every corner of my mind

What ya gon' do now?  
 [Ponte]  
 Did you know you're the one that got away?  
 And even now, baby, I'm still not okay  
 Did you know that my dreams, they're all the same?  
 Every time I close my eyes  
 [Refrão]

Memories follow me left and right  
 I can feel you over here  
 I can feel you over here  
 You take up every corner of my mind  
 Your love stays with me day and night  
 I can feel you over here, I can feel you over here

You take up every corner of my mind  
 What ya gon' do now?  
 I can feel you over here, I can feel you over here  
 You take up every corner of my mind  
 What ya gon' do now?
