

Charlotte Grayson - Where do Babies Come From

tom:

G

Ever since she was just a child

Bm

Her mom told you bum to lies

A

About how babies came from the sky

G

Now she's older she really needs

Bm

Answers to put in release

G

Mommy, mommy tell me please

Bm

Where do babies come from really?

Bm

They came from boys who want to sit on their ass

A

They came from girls who like to grow up too fast

G

They came from screaming, fighting, make-up sex

B7

They came from everybody but not you or else

(Bm A G B)

Bm

What a beautiful mess I've made

A

I throw milk on the walls in rage

G

Oh I'm trying to just forget the pain

B

Push him away like he pushed me about

A

Block out the image I could do without

G

Daddy, daddy help me now

Bm

How do I put this little light out

Bm

They came from boys who don't want to be alone

A

They came from girls who sadly we're running too slow

G

They came from screaming, shouting, no, no, no

Bm

They came from me and rest I don't really know

(Bm A G B)

B

And turns out

Bm

They don't came from rainbows and love

A

They come from sad little boys who push and shove

G

They don't come from fairies at night

Bm

They come from scare little girls who couldn't put up to fight

Bm

They came from boys who want to sit on their ass

A

They came from girls who like to grow up too fast

G

They came from screaming, fighting, make-up sex

B7

They came from everybody including yourself

Bm

They came from boys who don't want to be alone

A

They came from girls who sadly we're running too slow

G

They came from screaming, shouting: No, no, no

B7

They came from me and rest I don't really know
