

# Charlotte Lawrence - Joke's On You

tom:

Intro: <sup>G</sup>  
Dm A Dm A

<sup>Dm</sup>  
Drag me to death, like a lit cigarette

Took my last breath, like the smoke from my lips  
<sup>A</sup>  
I've lied for you and I liked it too

But my knees are bruised from kneeling to you  
<sup>Dm</sup>  
I've had enough, but you're too hard to quit

We've had our fun, now your sugar makes me sick  
<sup>A</sup>  
I've lied for you and I liked it too

But my makeup's ruined  
And now I'm laughing through my tears  
<sup>A</sup>  
I'm crying through my fear

<sup>Dm</sup> <sup>A</sup>  
But, baby, if I had to choose

<sup>Dm</sup> <sup>A</sup>  
The joke's on you

<sup>Dm</sup> <sup>A</sup>  
The joke's on you

<sup>Dm</sup>  
God knows I've tried to be kind

<sup>A</sup>  
But I won't just lay down and die

<sup>Dm</sup>  
Wearing a fake smile

<sup>Dm</sup> <sup>A</sup>  
The joke's on you  
<sup>Dm</sup>  
My heart's gone bad, now it won't beat for you

You had your laugh, now I won't play the fool  
<sup>A</sup>  
I've lied for you and I liked it too

But I'm black and blue from bleeding for you  
<sup>Dm</sup>  
You struck the match, burned me out so fast

Look what we had, now it's turned to ash

<sup>A</sup>  
I've lied for you and I liked it too

But my makeup's ruined  
And now I'm laughing through my tears
