```
G        Em
Girl, tell me what you're
                Bm
Doing on the other side?
    G          Em
And so, just tell me what
                   Bm
You're doing with that other guy?
                       G
Cause I ain't got patience to
Em
Slow down the bass all your
Bm
Girl friends are all wasted
                          G
They need it, they chase it
              Em
Face it you want it, you crave it
    Bm
Believe when I say that you'll know
             G
Once you taste it

                 Em
All of your friends have been
            Bm
Here for too long
 They must be waiting for
               G
You to move on
              Em
Girl, I'm not with it
              Bm
I'm way too far gone
                       G
I'm not ready, eyes heavy now
              Em
Heart on your sleeve like
                 Bm
You've never been loved
 Running in circles
                  G
Now look what you've done
          Em
Give you my word as you
            Bm
Take it and run
 Wish you'd let me stay
              G
I'm ready now

  Em    Bm      Bm
(.....)
    G           Em
But you, were busy lying
                 Bm
Sleeping 'round with other guys
                      G
And what the hell were we?
          Em
Tell me we weren't just friends
Bm
This doesn't make much sense
    G
No
              Em
But I'm not hurt, I'm tense
    Bm           Bm
Cause I'll be fine without you babe

                Em
