                  Dbm
Intro: Dbm  Abm  Gb
       Dbm  Abm  Gb

          Dbm        E
Busy on the weekend
                 B           Gb
Caught up in your own small world
                 Dbm      Dbm  E
Well, I might wanna see it then
         B  Gb
Call it hesitation, girl

                 Dbm         E
We're running in the moonlight
                 B     Gb
We're dancing in the open waves
                 Dbm       E
You're hangin' for a good time
                 B       Gb
Something that'll make you stay

             Dbm  E
And girl, you fall down again
             B          Gb
You tell me you're all out again
             Dbm         E
We're running in the moonlight
              B         Gb
Could you show me the way again?

Oh, no, no

Dbm                      E
You're talking in and out of the
        B
Subject
                 Gb
Just call me when you're finished, are
          Dbm
You done yet, girl?
     Dbm              E
You're falling in and out through a
         B
Sunset
           Gb
And I just wanna know if you're in love
    Dbm
Yet girl

             E
She just wants to talk through the
       Abm
Daytime
             Gb
And I just want it all when the time's
    Dbm
Right
             E
Yeah, she's about to fall for the third
    Abm
Time
             Gb
The nature of it all

          Dbm      E
Busy on the weekend
                 B           Gb
Caught up in your own small world
                 Dbm      Dbm  E
Well, I might wanna see it then
         B  Gb
Call it hesitation, girl

                 Dbm         E
We're running in the moonlight
                 B     Gb
```

```
We're dancing in the open waves
                 Dbm       E
You're hangin' for a good time
                 B       Gb
Something that'll make you stay

             Dbm  E
And girl, you fall down again
             B          Gb
You tell me you're all out again
             Dbm         E
We're running in the moonlight
              B         Gb
Could you show me the way again?

Oh, no, no

Dbm                          E
We're diving through the bottom of the
        B
Ocean
                     Gb
Swimming through a bottle of emotions
Dbm
Girl
Dbm          E                     B
Maybe I was thinking you would notice
                     Gb
I was runnin' through the forest when I
             Dbm
Wrote this, girl

                 E
And he just wants to talk through the
       Abm
Daytime
                 Gb
And I just want it all when the time's
        Dbm
Right
                 E
Yeah, she's about to fall for the third
       Abm
Time
                 Gb
The nature of it all

             Dbm      E
Busy on the weekend
                 B           Gb
Caught up in your own small world
                 Dbm         Dbm E
Well, I might wanna see it then
         B       Gb
Call it hesitation, girl

                 Dbm         E
We're running in the moonlight
                 B   Gb
We're dancing in the open waves
                 Dbm       E
You're hangin' for a good time
                 B       Gb
Something that'll make you stay

             Dbm  E
And girl, you fall down again
             B          Gb
You tell me you're all out again
             Dbm         E
We're running in the moonlight
              B         Gb
Could you show me the way again?

Oh, no, no
