

Chavela Vargas - Amaneci Otra Vez

tom:

Intro: (G G)

Amaneci otra vez entre tus brazos

Y despierte llorando de alegría

Me cobije la cara con tus manos

Para seguirte amando todo el dia.

Se despertaste tu casi dormida

Tu me querias decir no se que cosa

Pero caller tu boca con mis besos

(PARTE I)

Y asi pasaron muchas muchas horas.

(Preparação): D

Quando caió la noche Aparecio la luna

Y entro por la ventana Que cosa mas bonita

Quando la luz del cielo Ilumino tu cara.

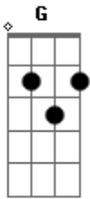

Yo me volvi a meter entre tus brazos

Tu me querias decir no se que cosa

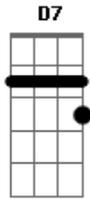

Pero caller tu boca con mis besos

Y asi pasaron muchas muchas horas.
