Verso 2:

Well I wish I still had you
Had you here next to me
Baby, where did you go?
Baby, why did you leave?

Though the world, it keeps turnin'
But it don't turn for me
Without you in my life
My life ain't no place to be

There's only lonely days and empty nights
Ain't the same without you, baby, nothin' feelin' right
nothin' feelin' right.
