

Cheap Trick - If You Need Me

Tom: **E**

From: Glen Norman Pavan

album: Busted

key: **B**

tuning: standard **E A D G**

Intro:

first verse

Girl it's all right if it's one of those nights and you need me

Swallow your pride there's nothing to hide Do you need me?

Such a long long time I've been waiting for a sign Say you need me

I've been dreaming of the day when I hear you say Say you need me

prechorus

I believe in you you believe in me but I can't feel it in

my heart

So what's wrong with you what's the matter with me And how come we're so far apart

chorus

I can stand a little hurt and I stand stand a lot of pain We can work it out all right if you need me

second verse

Can we be serious can you and I keep a secret? Hold it inside between you and I Can you keep it? Been thinking of a way just to get you to say say you need me Such a long long time I've been waiting for a sign Say you need me

prechorus
